Consequences of cancellation

If you revoke this contract, we shall reimburse you all payments we have received from you, less any return costs of 3.95 euros, including delivery costs (with the exception of additional costs resulting from the fact that you have chosen a type of delivery other than the cheapest standard delivery offered by us), without undue delay and at the latest within fourteen days from the day on which we received the notification of your revocation of this contract. For this repayment, we will use the same means of payment that you used for the original transaction, unless expressly agreed otherwise with you; in no case will you be charged for this repayment. We may refuse repayment until we have received the goods back or until you have provided proof that you have returned the goods, whichever is the earlier. We bear the costs of returning the goods from Germany, Belgium, France, the Netherlands, Austria and Poland. For returns from other countries, we will charge you €3.95 shipping costs. These will be deducted from your refund accordingly. You will only have to pay for any loss in value of the goods if this loss in value is due to your handling the goods in a way that is not necessary for checking the condition, properties and functioning of the goods.
